

Are you interested in taking part in a clinical study?

We are looking for people with **eosinophilic esophagitis (EoE)** to take part in a study called **CROSSING**.

Taking part may help us better understand EoE and improve medical care for people diagnosed in the future.

You may be able to join the study if you...

- Are between 12–80 years of age
- Have been diagnosed with EoE
- Have problems with swallowing on a regular basis
- Have been treated for EoE before **OR** Are currently receiving treatment for EoE
